

Yevhen Volontyr

Javascript (ReactJS, ThreeJS, NodeJS) Developer

Ukraine | jack.volontyr@gmail.com | 0732090275 | [jackvolontyr.github.io/guest/](https://github.com/jackvolontyr)

I'm a Javascript Developer with over 5 years of experience.

I worked on a Ruby on Rails project as frontender for more than 1.5 years.

Self-management is my thing: I have many years of freelance practice.

Now I want to develop as a ThreeJS and NodeJS programmer.

EMPLOYMENT HISTORY

ThreeJS/Web Developer · 3dPadelt

7.2020 - 3.2022 / 1 year 8 months

Web work (3d model viewers) and consultation for the German company Padelt. Solving problems of 3d models, guiding to 3d and graphic designers, mailer setting.

- 3d constructor for change and improving motorcycle accessories, with features of drawing program.
